

CNS Driver Center of PA
151 Koser Rd.
Lititz, PA 17543

The following information is being provided to fulfill Act 69 of 2024 which requires Institutions of Higher Education (IHEs) to present financial information in greater detail to students and to provide financial aid exit counseling at the end of a student's final academic term.

Student Fee Transparency (Section 2004-H)

Effective immediately, IHEs must post online every mandatory fee in advance of the start of the academic term for which the fee will be charged and included on a tuition bill. The posting must include the purpose of the fee and a description of how it will be used.

- All mandatory fees are available on the Driver Training Center Public webpage located here: <https://www.cnstrains.com/cdl-school-programs/class-a-cdl-cdl-school-program/>

By November 15, 2025, IHEs must post online from the prior academic year the total amount of mandatory fees collected with a detailed description/use of each.

Class A Program

- CNS Driver Training Center of PA served **44 school students** during the 2023 – 2024 school year. Given that tuition is \$5,315, we collected \$233,860 of mandatory feeds.
- Tuition is \$5,004 and covers the cost personnel and equipment required for training
 - 8 hrs of CDL Permit Preparation
 - 40 hrs of Theory Knowledge Instruction
 - 44 hrs of Behind the Wheel Education
- \$150 covers the cost of books and student booklets.
- \$80 covers the DOT Physical Exam
- \$14 covers the 3 Year Motor Vehicle Record
- \$67 cost of the DOT Drug Test

Hot Shot Proficiency Program

- CNS Driver Training Center of PA served **3 school students** during the 2023 – 2024 school year. Given that tuition is \$4,136 we collected \$12,408 of mandatory feeds.
- Tuition is \$4,136 and covers the cost of personnel and equipment required for training
 - 6 hrs of CDL Permit Preparation
 - 36 hrs of Theory Knowledge Instruction
 - 33 hrs of Behind the Wheel Education
- \$150 covers the cost of books and student booklets.
- \$80 covers the DOT Physical Exam
- \$14 covers the 3 Year Motor Vehicle Record
- \$67 cost of the DOT Drug Test

Higher Education Cost Transparency

Effective immediately, IHEs must provide prospective students with extensive cost and financial aid information as part of the admission or financial aid offer process.

- All cost information is detailed on our webpage and noted above.
- CNS Driver Training Center of PA does not presently offer financial aid.
- We anticipate the cost of tuition, for both programs, to remain at the same cost for subsequent years.

Exit Counseling

Effective immediately, IHEs must provide financial aid exit counseling to students at the end of their final academic term, unless a student elects not to participate.

- CNS Driver Training Center of PA does not provide financial aid.
- Students may call 717.496.9145 to discuss any questions related to cost at any time. Questions about cost By not contacting CNS Driver Training Center in regard to cost, the student is opting out of said counseling. When counseling is needed, it will be provided by Ryan Berardi, SVP of Training and Dev.

Please direct all questions to Ryan Berardi, Ed.D (SVP of Training and Development). He may be reached at ryanb@cnsprotects.com.
